Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to gain a better understanding of zoo animals.

- **Expressive Arts and Design (Music)**

Have a go at this 'Let's go to the Zoo' song and try and copy the actions.

<https://www.youtube.com/watch?v=OwRmivbNgQk>

- **Expressive Arts and Design (Art)**

Create a new creature for the zoo. Think about what your creature will look like and if it will be friendly. Don't forget to give your new creature a name and show us what you make on Tapestry.

Create your own zoo.

- **Physical Development (Gross Motor Skills)**

Play some jungle music and have a go at moving like different zoo animals. Send us a video on Tapestry.

- **Communication and Language**

Talk about the job of a vet. What do they do? What job would you like to do when you grow up?

- **Understanding the World**

Have a go at identifying the animals through the binoculars.

<https://www.twinkl.co.uk/resource/t-t-2548753-zoo-animals-whats-through-the-binoculars-powerpoint-game-english>

Visit the London Zoo website and look at the different animals they have. You could make a zoo map, design your own zoo or build a zoo in your garden.

<https://www.zsl.org/zsl-london-zoo>

Research some facts about your favourite zoo animal. Where do they live? What do they eat?

- **Personal, Social and Emotional Development**

See if you can set up a Vets office for any poorly cuddly animals in your house. What is the matter with them? How can you treat them?

Additional learning resources parents may wish to engage with

<https://www.chesterzoo.org/> - look at the live streams on the Chester Zoo website to see some zoo animals.

<https://www.twinkl.co.uk/> - additional Zoo Vet activities and resources can be found on twinkl.

<https://www.youtube.com/watch?v=C4CaR0syf1g> – have a go at this 'Jungle Safari' yoga.
