

## Learning Project WEEK 12 -

The Dinosaur That Pooped A Planet

Age Range: Year 1

For families with more than one child, school would suggest working as a family on one of the topics in your children's Home Learning packs.

Weekly RE Tasks (Aim to do 1 per day)	Weekly Reading Tasks (Aim to do 1 per day)
<ul> <li>Set up a Prayer Service with your family.</li> <li>Work together with your family and create a <u>Prayer Wall</u>.</li> <li>Today people's lives can be changed when they try to follow Jesus. They often try to live in a different way to be more like Jesus. What impact has Jesus had on your life? Create a poster to record your thoughts.</li> <li>Create portraits of the Disciples and try to include symbols which would represent the Disciple – Simon Peter would have fish, boats, a cockerel and a rock.</li> <li>Create a portrait of yourself as a Disciple. What symbols would you choose to represent yourself?</li> </ul>	<ul> <li>Read a variety of books at home. Your child could share a book everyday. This can be a reading a book everyday or sharing a book with an adult.</li> <li>Listen to a story using <u>Storytime</u> or <u>Audible</u>.</li> <li>Use <u>Phonics Play</u> to practise your sounds daily.</li> <li>Use this <u>website</u> to practise your sounds daily.</li> <li>Listen and read along to the story: <u>'The Dinosaur That Pooped A Planet'</u>.</li> <li>Create your own dinosaur and use this to retell the story to someone in your family (<u>here</u> are some great ideas).</li> <li>Have a go at reading these <u>simple sentences</u>; can you improve them by adding some adjectives?</li> </ul>
Weekly Maths Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)
<ul> <li>Working on <u>Times Table Rockstars</u>. If your child works on <u>Numbots</u> in school they can access this with the same login.</li> <li>Use <u>White Rose Maths</u> Hub to access this week's Maths lessons:</li> <li>Lesson 1 – Counting to 100</li> <li>Lesson 2 – Partitioning numbers</li> <li>Lesson 3 and Lesson 4 – Comparing numbers</li> <li>Have a go at completing this <u>Dinosaur Activity Booklet</u>.</li> </ul>	<ul> <li>Practice letter formation when writing the Year 1 Common Exception words.</li> <li>Access Year 1 Spellings on Twinkl.</li> <li>There are lots of rhyming words that can be found in our story this week, make a list of all of the ones you can find. Can you find some more words which rhyme with the words you've found?</li> <li>Have a look at the different planets in our solar system. Choose your favourite one and write some sentences to describe it. Can you research some facts about your planet?</li> <li>Design your own planet; think about including all of your favourite things. What colour will your planet be? Will there be animals on your planet? Label your planet when it is finished.</li> </ul>

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to gain a better understanding and further explore the story: 'The Dinosaur That Pooped A Planet'.

Some of these tasks will be set via <u>'Class Dojo'</u> during the week – please complete them online, as teachers will be able to provide feedback.

- <u>Art ('Class Dojo')</u> Create your own <u>dinosaur sun catcher</u>
- <u>Music</u> Watch this <u>video</u> with songs all about the planets on. See if you can sing along. You could even use one of the instruments you have made to put your own music to it.
- **<u>Design Technology</u>** Make your own <u>cardboard tube rocket</u>.
- <u>Science ('Class Dojo')</u> Learn all about Mary Anning, use this <u>PowerPoint</u> to help you. You could create a poster or a booklet about her. Have a go at making your own <u>fossil</u>.

Watch this video from the Natural History Museum to see some dinosaur <u>skeletons</u>.

- <u>History ('Class Dojo')</u> Complete your own research on Vincent Van Gough and look at Vincent Van Gough's '<u>Starry Night'</u>. What do you notice about it? Can you make your own?
- <u>PHSE ('Class Dojo')</u> Explore <u>Picture News</u> and choose an activity to complete. Share your activity on Class Dojo.

Additional learning resources parents may wish to engage with

Further activities linking to 'The Dinosaur That Pooped A Planet':

Follow <u>Andy's Dinosaur activities</u>. Follow the actions with Andy to learn more about dinosaurs.

Have a go at the 'Dino Stomp'.

Have a go at this <u>dinosaur yoga</u>.

## Additional activities:

<u>Classroom Secrets Learning Packs</u> - these packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

<u>Classroom Secrets for Kids</u> – accounts for each child in Year 1 have been created. Username: <u>409786</u> follow by <u>child's first name</u> and <u>initial of last name</u>. Password: cat (please change your password when you first log in). Example: 408786emilys.

**TTS Activity Book** – follow this link for some more resources for all subjects.

**<u>BBC Bitesize</u>** – lots of useful lessons for all subjects, follow the link to access the daily lessons (videos and resources included).

Oak National Academy – a weekly assembly (available every Thursday).

Oak National Academy Lessons – daily lessons for all subjects, follow the link to access.

Get Epic! – a free virtual library.
