## Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to gain a better understanding of medieval times.

Some of the activities below are linked to Class Dojo. Please upload photos of your child's work onto Class Dojo.

- **Music**

Choose your favourite nursery rhyme, change some of the words to make it your own. For example, 'Mary had a little lamb' might become 'Ellie had a massive elephant'. Write out your poem and then perform it. Put your videos onto Class Dojo.

- **Art**

Look back at the Queens' pets that you drew last week. Try and make one of the pets out of junk modelling equipment. Put your photos onto Class Dojo.

- **Science**

Watch the videos about '[materials](#)' and complete the activity.

- **History**

Create a job advertisement for someone to work in your castle. Are you going to advertise for a cook, a jester, gardener, messenger or someone else? What will their main duties be? What qualities will they need to have? What skills will they need? You can make your advert in the form of a poster. Please upload your work onto Class Dojo.

- **PHSE**

Have a look at the lesson about '[emotions](#)' and complete the activities that go with it. Draw one of the emotions and upload it to Class Dojo.
