## Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to gain a better understanding of medieval times.

Some of the activities below are linked to Class Dojo. Please upload photos of your child's work onto Class Dojo.

- **Art**

Look at the life cycle you created for your science work. Draw or paint a picture of the animal in your life cycle. Take a photo of your work and upload it to Class Dojo.

- **Science**

Complete the activity that is attached to the end of this document about life cycles.

- **History**

I was so impressed with your job adverts last week I would now like you to apply for the job! Write a letter or email telling me why you should be considered for the job. What skills and qualifications do you have? What is your personality like? Why do you deserve to get the job? Please upload your work onto Class Dojo.

- **PHSE**

Complete the lesson about [online safety](#).

## Your Challenge!

Can you draw a picture of an animal lifecycle? Choose your favourite animal or bug and try and find out the stages it goes through. An adult might be able to help you find some examples like the one in the picture here.

My animal is a \_\_\_\_\_

We hope you enjoyed this science lesson!
