

Learning Project WEEK 6 – Towers, Tunnels and Turrets

Age Range: Year 2

Weekly RE Tasks (Aim to do one per day)	Weekly Reading Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> • Make a colourful picture of the word 'promise' and write around it what you think 'promise' means. • Watch the video or read a story about Noah and the flood. What promise did God make to Noah? • Think about the promises you have made. Did you keep them? Were they easy to keep? • Watch the video about Pentecost. What promise did Jesus fulfill on the day of Pentecost? What promise had he made? • Thinking about Pentecost, what were the disciples like before the Holy Spirit came? Can you think of lots of different words for this. 	<ul style="list-style-type: none"> • Ask your child to read a chapter from their home reading book or a book that they have borrowed from the library. • Complete a task from their reading journal. • Listen to a story read: https://www.storylineonline.net/ • Read the story on the last page of this document about 'Billy the Brave Knight'. • Draw a picture of Gemima, Trotty and Will from the story and make a list of adjectives to describe them. Think carefully about what you think they are like.
Weekly Maths Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> • Working on Times Table Rockstars. If your child works on Numbots in school they can access this with the same login. • Play on Hit the Button - number bonds, halves, doubles and times tables. • Play the mental maths train game about using the four operation. • Complete the addition and subtraction activity online. • (please continue these lessons) There are now daily lessons available for you to follow with your child. Each day's work has a power point, activities and an answer sheet. Please don't feel that your child has to complete all of the activity sheet, just let your child do as much as they are able to. Please click on the following link: Maths lessons. • There is also available a number of games and activity sheets from NatWest about money which are perfect for children to learn about making different amounts. 	<p>Over the next few weeks you are going to create a fact file about castles! Each week you will create a page for your fact file. Your tasks for this week are:</p> <ul style="list-style-type: none"> • Look at the information about knights. Draw the picture of the knight on the horse, don't forget to label your picture. • Write a description of what a knight wears and why you think he wears it. • Watch the video about commas in a sentence and then complete the activity below the video. • Complete the activity on contractions. • Play the plural game.

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to gain a better understanding of medieval times.

- **Music**

Can you write your own positivity song about staying happy and positive?

- **Art**

Design your own knight's uniform. Draw the picture of your knight in uniform and think carefully about what colours you are going to use.

- **Design Technology**

Design and make, using what ever materials you may have, a model of a castle. May sure you include all of the [parts of the castle](#). This will be an on-going project for the next few weeks.

- **Science**

Watch the video clip about an [ocean habitat](#) and complete the activities below.

- **History**

Use the internet (with an adult present) to research a knight's clothing. What did they wear and why? (Link this with your English work)

- **Geography**

Using the internet find out which castles are along the coast line. Can you draw them on a map?

- **PHSE**

There is a mindfulness colouring sheet attached to page 4 of this document to remind you of how wonderful I think you are!!

Additional learning resources parents may wish to engage with

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

[Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

[The school run](#)- Lots of help with topic based activities as well as maths, English and Science.

#HomeLearning

The Story of Billy the Brave Knight.

This is the story of Billy the Brave Knight and this is the way that we tell it.

One day Billy was travelling on his old horse Muffin from one place to another.

Clippety-clop, clippetty-clop, clippetty-clop.

They passed the great hill where Gemima the Gorgeous Giant lived.

They passed the old bridge where Trotty the Tiny Troll lived.

They passed the forest where Will the Wily Wolf lived.

Eventually, they came to a tall, lonely tower. At the very top of the tower they could see a princess waving to them. "Help," she called. "A wicked goblin has trapped me here."

Luckily, Billy was a quick thinker. Why, he thought so quickly that he had four good plans by the time she had finished calling.

First, he built a fire.

Next, he put on a kettle.

After that, he made a cup of tea,

Finally, he had a hot, buttered teacake.

Muffin thought that he had better rescue the girl. So he climbed up the staircase, clippety-clop, clippetty-clop, clippetty-clop.

He knocked down the door and gave the Princess a lift downstairs.

They were just in time to join Billy the Brave Knight for a second cup of tea and another teacake. By the time the wicked goblin returned, the Princess had gone and all the tea was finished!
