It could be someone in your household or over the phone. Write a biography about them. Here are some ideas of questions to get you started. • Research an animal that lives in the rainforest. Write a non-chronological report all about it. • Write a list of all the places you would like to visit. What would be the best thing about going there? • Write a character description of a villain. Use this lesson to help.

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to gain a better understanding of plants.

- **Music** – listen to the sounds of the [rainforest](#). What can you hear? How do the sounds change? How could you recreate the sounds that you can hear?
- **Art** – draw a picture of the view from a window in your house focusing on the texture of different objects. You could use the skills you practised last week or follow this [lesson](#).
- **Design Technology** – design and make a rainforest scene inside a cardboard box like this one.

- **Science** – find out how a plant transports water. Use this [lesson](#) to help.
- **History** – Which explorers discovered the rainforests? Who was the first to travel down the Amazon river?
- **Geography** – find out about rainforest biomes. What types of plants grow there? How have they adapted to the hot, humid climate? This [PowerPoint](#) might help you.
- **PHSE** – watch this week's [Picture News Virtual Assembly](#). Don't forget your pencil and paper so that you can take part in the activities.
