The project this week aims to provide opportunities for your child to gain a better understanding of animals, including humans.

- **Music**

Learn the song: '[Sesame Street: Healthy Teeth, Healthy Me](#)' to learn about the importance of dental hygiene.

- **Art**

'Class Dojo': Find out about Andy Warhol and his 'Pop Art' style of art. Create your own piece of art including an animal of your choice, this could be a pet or your favourite animal.

- **Design Technology**

Create a healthy meal with your family that includes ingredients that are really good for your teeth!

- **Science**

'Class Dojo': Over these next two weeks we are going to be learning about tooth decay. What is tooth decay? What causes tooth decay? Egg shells are similar to teeth enamel, what do you think will happen to each boiled egg with shells when placed into water, cola, orange juice and milk? Make a prediction for each liquid and set-up the investigation. Next week we will find out what happens and record the results!

- **History**

Go on a tour of the [Natural History Museum](#) and learn about some of the amazing animals on display. Listen to what David Attenborough has to say about the animals.

- **Geography**

Find out about the Galapagos Islands and the species that live there. Create a brochure (leaflet) for people who visit the islands and what they should know about the various species.

- **PHSE**

'Class Dojo': Complete one of the money Picture News activities (from 15/6/20) on the school website.

Some of the tasks will be set via 'Class Dojo' during the week – please share the completed tasks online, as teachers will be able to provide feedback.

**Classroom Secrets Kids**: An account has been created for each child in Year 4. Username: 413623 followed by child's forename and first initial of last name. For those children with a double-barrelled first name, just use the first part of the first name (e.g. 413623johnw) Password: cat.
