

# Rec – Sum 2 - What are the things that are important to me?

## Impact

### By the end of this unit children will...

“The three most important things to have are faith, hope and love. But the greatest of them is love.” 1 Corinthians 13:13

Children will have a greater knowledge of what is important to them in their lives. This will be achieved through exploration of children’s families and their histories. We will also look closely at the things children value in their day-to-day lives as well as what others value.

## Intent

It is our vision that our children will become advocates for social justice, fighters for sustainability, seekers of equality and leaders seeking to become “builders of a new humanity” (Pope Francis). Through the delivery of this unit of work children will be encouraged to explore how God created the world and to foster a love of His creations. They will begin to recognise that each of God’s creations is special and important.

## Building the Kingdom

Big Question:

What are the things that are important to me?

Further questions to explore

What are the things I treasure?

What are the things I need and what are the things I want?

How can I help to care for the things that are important to me?
